Mr B. Venkoba Rao prays requests the grant of Privilege leave to him upto end of June 15 & advance of pay for May & June 1915.

The applicant has to his credit three months privilege leave & there is no objection to the grant of the whole of that leave.

The officer will be entitled to draw from 1st June 15 the scholarship (Rs 75/-) sanctioned to him from in G.O. No. 2843-7.9.15. As such the grant of privilege leave allowance also from from that date does not seem admissible.

His pay for May may be advanced to him under art 176 of R.S.R. if necessary an advance equal to not exceeding the amount of his scholarship may be made to him under art 137 of C.A. Code

This is with reference to the request to treat the whole period of training of 4 years as Service qualifying for pension, and not as debarring claim to privilege leave being consider

The period of training commences on the 1st June 1915. The H. Sec'y has observed that this period should be treated as Leave ~~wi~~ without all~~ces~~. So the grant of privilege leave during the months of June 1915 and ~~the~~ advance of pri: leave all~~ces~~ is inadmissible. Mr Venkoba Rao wants the period to be treated as privilege leave with a view that it may count towards increments in his permanent post in the G.R.S. Even though it be treated as privilege leave as a special case, there is another objection for its being ~~treated~~ counted towards increments; ie. the period is one of training. It does not count for pension and leave. Officers on temporary employ on special duty outside their ordinary do not count their temporary service for increments in their permanent post. Dep~~t~~ (Art. 90. I. M.S.R.). In these cases it is doubtful if the period can count for increment.

Confined Simply to the question whether the period of training of 4 years Should or Should not qualify for pension. With reference to this it was stated that it would be treated as leave without allowances, so that the period does not qualify. I do not think it was intended by this to deny to the official such privilege leave as he is entitled to, and which he has Earned in Virtue of his past Services. In fairness to the official I think he may be granted such privilege leave as he is entitled to, and in Continuation thereof Such leave without allowances for the rest of the period of training under art 150 M.S.R or the question of how the whole period is to be treated may be kept open till the official returns from training.

With regard to Mr Venkoba's 2d & 3d requests, if the claim to privilege leave is admitted, under I think that under art 89 M.S.R he will be entitled to Count time spent on leave with allowances towards his next increment, and under art 176 M.S.R he will be entitled to 2 months advance.

I most respectfully beg to tender my grateful thanks to Government for graciously granting me a scholarship of Rs. 75/- per mensem for undergoing training in Architecture in Bombay for a period of four years commencing from June next and I take this opportunity of assuring Government that I shall spare no pains to give a good account of myself in the course prescribed and prove - - worthy of the choice made by Government.
